

GInI Exam Preparation Course Delivery Checklist
Course: CInP® – Certified Innovation Professional®

GInI® Exam Preparation Course Delivery Checklist **Course: CInP® – Certified Innovation Professional®**

GInI® – the Global Innovation Institute® – operates the most comprehensive and professionally managed evidence-based innovation certification and accreditation program anywhere in the world – for both individuals and businesses.

GInI® is the only innovation certification body in the world that has employed the role delineation study process to establish its certification examinations. GInI® has likewise established a series of globally-recognized exam preparation courses designed for preparing individuals to take each certification exam. GInI's **Authorized Providers** deliver GInI's **certification** and **accreditation programs** to individuals and businesses all over the world.

Both **Authorized Training Providers® (ATPs®)** and **Authorized Innovation Providers® (AInPs®)** deliver **GInI's certification programs** to **individual professionals**:

- **Certified Innovation Professional® – CInP®.**
- Certified Design Thinking Professional® – CDTP®.
- Certified Innovation Strategist® – CInS®.
- Certified Chief Innovation Officer® – CCIInO®.
- Authorized innovation Assessor® – AInA®.

GInI **Authorized Innovation Providers® (AInPs®)**, using GInI **Authorized Innovation Assessors® (AInAs®)** also deliver GInI's **accreditation programs** to **business organizations**:

- Certified Innovative Organization® – CInOrg®.
- Accredited Innovation Lab® – AInL®.
- Accredited Business Incubator® – ABI®.
- Accredited Accelerator Program® – AAP®.
- Innovation Endorsement® – InE®.
- Accredited Innovation Training Program® – AInTP®.

*The following series of checklists are intended to aid GInI's Authorized Providers in preparing for and delivering GInI's **Certified Innovation Professional (CInP)®** exam preparation course. By carefully following these step by step checklists, the Provider should be able to deliver this course with full confidence that the course will achieve its intended outcomes.*

*These checklists address the specifics of delivering the **Certified Innovation Professional (CInP)®** course. For instructions on how to prepare for and market all GInI exam preparation courses generally, and likewise on how to deliver and conclude these courses, please refer to the GInI Course Delivery Checklist.*

Understand the duration, structure, format, and outcomes of the CInP[®] exam preparation course.

<p>Understand the intended duration of the course.</p>	<p>The CInP[®] exam preparation course is intended to be delivered as a 4-day course with at least 7 hours of contact time each day. If desired, Providers may add additional class time to spend more time on select topics in order to explore them in greater detail.</p>	<input type="checkbox"/>
<p>Understand the intended team structure of the course.</p>	<p>Course participants are to be divided into teams, as they will be working together as teams for the majority of the course exercises. The ideal team size is 5, though it is acceptable for team size to vary between 4 and 6.</p>	<input type="checkbox"/>
<p>Understand the intended classroom format for the course.</p>	<p>The intended classroom format for this course is to arrange a series of round tables about the room where each team will sit together at their table. Ensure that each team can adequately see and hear the instructor at the front of the room.</p>	<input type="checkbox"/>
<p>Understand the expected outcomes for the course.</p>	<p>The expected outcomes of the CInP[®] course are that:</p> <ol style="list-style-type: none"> 1. Participants are properly exposed to the topical content of the course through a clear explanation of each topic. 2. Participants are able to develop a useable understanding of the course content. This is augmented by: <ol style="list-style-type: none"> a) Deeper instructor explanation <i>(for example, by answering clarifying questions).</i> b) Additional classroom discussion amongst participants. c) Application of the hands-on exercises provided in the Course Exercise Book and Case Study materials. d) Further review and study of the Course Workbook content. 3. Participants are ultimately able to complete and pass the CInP[®] exam so as to obtain formal certification as a CInP[®]. 	<input type="checkbox"/>
<p>Ensure your Instructor meets the qualifications for teaching the course.</p>	<p>Your instructor must meet both of the following qualifications:</p> <ol style="list-style-type: none"> 1. Hold current certification with GInI[®]. 2. Have studied the entire AIInMB[®] / confident in its understanding. 	<input type="checkbox"/>

Assemble the core materials required to deliver the CInP® exam preparation course.

Item	Number	Format
